"I just wanted to follow up and let you know how amazing it was to have Chrisjones here at Methodist last night. Imagine my surprise yesterday afternoon when one of my students said, "Hey, isn't that our hypnotist running with the track team?" Chris went out of his way to come early and meet the students and get them excited about the show. By interacting with our students beforehand, he helped us get a GREAT attendance and I heard from about a dozen people that they weren't going to go but after meeting him in the cafeteria, he seemed cool and they wanted to check out the show. That level of being personable goes so far for me, and we all hope we will be able to bring him back next year!!" - **Aimee Boyd, Methodist University**

"The show was amazing, indescribably funny. Our students love Chris Jones, and I am sure I have to bring him back for the 4th time in a row. I am looking forward to again working with the best Entertainment Company that is out there: Bass/Schuler." - **Le Tavoloni, Brevard College**

"Chris' performance was rock solid. Two weeks later, students are still talking about it. Also, he arrived to campus extra early to participate in our Good Eats Dinner where the board members and a

guest chef cook for the act. This is a great chance for the students to have some extra quality time with them, and Chris was an awesomely gracious guest.” **Lindsey Laret, Advisor, University of Mount Union**

"There have been nothing but RAVE reviews – he’s been requested by the students for next year’s post prom. Thanks so much for your help and professionalism... it’s been wonderful working with you and I’ll make sure the committee for next year gets your info." - **Michelle Frye, Kennedy High School**

"Chris is an exceptional performer! Many parents, who have seen numerous hypnotist shows over the years in Winona, stated that Chris' show was the best ever. He is a very pleasant, engaging young man that conducts himself with professional poise. It was incredible how he was able to engage the entire audience in the performance and to keep them entertained throughout the show. He was thoroughly enjoyed by all! Thank you and your agency for assisting us in booking Chris." - **Winona Senior High School**

"Chris Jones was an awesome part of the evening, the kids and parents can't quit talking about him! He is so interactive with the crowd, he arrived early and mingled with everyone, he did some magic tricks in the gym just walking around and saying hello...., mixing with the kids at the party, clowning around and joining the fun! We sure enjoyed him and he will definitely be invited back! When I get an official prom date, 2014, I'll give you a jingle and we'll start on next year's fun :)" - **Judy Kling, Belle Fourche High School**

"We LOVED Chris! He was awesome. He got here a little before 3 and I was on my way to sub for a class. He offered to come along and do a teaser. It was great – the class loved him and the majority showed up for the show. We had a little over 200 people at his show!!! Our amphitheater was packed – we had to bring in extra chairs and there were people standing. Students have been talking about the show today across campus. We will definitely bring him back." - **Julie Hart Schutte, Mitchell Technical Institute**

"I wanted to let you know that the performance by Chris was incredible! We received so much great feedback from both current and prospective students and multiple requests to have him come back. Many of our current students that have participated in this program before mentioned this was the best entertainment we’ve ever had. Our staff loved it as well!" - **Lewis University**

"Just wanted to let you know that Chris Jones was AMAZING!!! The students loved him, he has a very, very energetic show, and is just a lot of fun! He’s at the top of my list now for artists that we’ve

brought in... just absolutely amazing (and the students would agree!!)" -**Mitch Joseph, Urbana University**

"Chris Jones was phenomenal! The kids were entertained and we loved how he involved even the students that were not hypnotized. Chris spent time with many of the prom attendees even before the prom started so they were "hooked." Great person, great entertainment.....only downside is that it ended way too soon!" - **Terry Hermann, Sturgis Brown High School**

"Once again...you've done me right. I've had some great acts from Bass/Schuler...some funny (Mission) and some indescribable (Chris Carter), but I think Chris Jones gave our students the most enjoyable show. It was just enough organized chaos to equal pure awesomeness!!!! Oh...the admissions office thought it was great too...almost forgot about those guys!" - **Dustin Adams, Union College**

"Chris was wonderful - a dream to work with." - **Brooke Wegner, Alverno College**

"I just wanted to send a quick note to tell you how amazing it was working with chrisjones. Not only was his show outstanding but he really went above and beyond. The students were thrilled, loved his performance, and are actually still talking about it. He offered to by students cookies after the show and when he got down to our on campus snack bar, he literally bought out their supply of cookies! He was so outstanding to work with and he did an awesome show. I just wanted to pass that along because it isn't often that we work with a performer who goes so far above and beyond. Thanks so much!" - **Brittany Pye, Colby-Sawyer College**

"Last night went really well. Chris showed up early to introduce himself, run with the track team, eat with some students in the cafeteria and promo the event. I really appreciate the lengths he went to because it made the show a success — Charlie's was pack and with students that we rarely see. His show was great — even longer than I expected. We definitely got our moneys worth. Look forward to having him back next year!" - **Brent Papson, Susquehanna University**

"We had a blast - Chris Jones was very professional and personable. I would highly recommend him to anyone." - **Daniel Schraeder, Wright State University**

"Chris Jones is an outstanding young man and an amazing performer. I especially appreciate the fact that he is young and has a fresh approach. He is also very capable of handling a "rowdy" crowd with a great deal of dignity. If anyone ever needs a reference – I would be happy to provide one." - **Robin Slocum, Tompkins-Cortland Community College**

awesome performance for us. Thank you for setting us up for a great show!" -**Alan Blair, Indiana University**

"Chris was awesome. He came to campus to do teasers during the lunch hours, and then he went to lunch with members of our programming board, which is always a bonus. He also did teasers during dinner and at half time of the basketball game. These teasers were great and really got people to stay for his show! We had a fantastic turn out, and the students enjoyed the show. Please let him know that it was a pleasure working with him." - **Lisa Dela Cruz, Southwestern University**

"Chris was fantastic. It is always a great experience working with you guys. I appreciate all that you do for us. We've made some huge strides the last few years as far as our CAB, and event attendances go. We know that this in large part due to the great acts that you have provided us and the fact that you help us out so much bringing those acts to campus at a fair price. Thank you!" - **Landon Adams Director of Student Activities Missouri Southern State University**
